Look in Part 85 under "exemption".

This is the link I use daily, you will find it quite valuable.

Subject: Vehicle Emissions Waiver

Sent by: (b) (6)

Steven,

I have scoured the EPA website and I can't find anywhere that it tells me how to apply for a temporary vehicle emissions waiver for the vehicles we are developing so we can drive them on the road for durability and emissions tuning. I know there is a procedure and a specific person to send it to, but I can't find it.

Thanks,
